

Long Beach City Auditor's Office Social Media Policy

Thank you for joining the Long Beach City Auditor's Office on social media. Our social media channels are designed to be a valuable source of information for residents, City employees, vendors, and business owners. We will share news on our work, reports, and outreach.

Please note that our social media channels are NOT monitored 24/7. Channels are monitored Monday thru Friday 8am-5pm except holidays. We will address inquiries within 48 business hours.

We wish to make this an engaging and educational experience for all. If you choose to participate in the conversation on our social media channels, we ask that you keep your comments and posts respectful to all visitors. While we encourage open and honest feedback, we do reserve the right to remove posts that are:

- libelous, profane, defamatory, hateful, harassing, threatening or obscene;
- spam or technical disruptions to our channels; or
- in violation of channels' terms of service or any laws or regulations.

We reserve the right to ban posters who refuse to comply with our guidelines.
