The Long Beach City Auditor's Office is looking for an energetic professional with exceptional critical thinking and problem resolution skills to join our team. Our mission is to make Long Beach better through independent audits and fraud investigations. Our Office provides a variety of audit and review services, including contract and revenue audits, operations and internal control reviews, and fraud investigations covering all areas of City operations.

The Senior Performance Auditor is an experienced level position. Under limited supervision, the Senior Performance Auditor will help drive forward an audit engagement team conducting a variety of challenging audits and analyses to improve the performance of City government services, programs, and organizations. The Senior Performance Auditor must have strong analytical skills, be able to lead certain components of audit planning and fieldwork, while providing guidance to staff auditors. With some direction from the Audit Manager, the Senior Performance Auditor must be able to analyze evidence, reach conclusions, identify issues, and propose solutions.

Desired education and skills include an undergraduate degree from a recognized four-year college or university; 3 – 5 years of prior experience as an audit professional, proficiency in Microsoft Office products; and strong written and oral communication skills. Placement as either a Senior Performance Auditor I or II depends on qualifications. The salary range is \$80,747 - \$111,744. Salary is supplemented by a comprehensive benefit package that includes medical and pension benefits. A hybrid work schedule is currently offered.
